

SUPPLEMENTARY CATERING

Our supplementary selections allow you to build depth into your programme — whether extending a reception, sustaining a working session, or adding a light enhancement alongside a packaged menu.

Available to order in addition to our core catering packages.

BELU

MADE WITH WATER AND ETHICS

NOT ALL DRINKS ARE CREATED EQUAL

Belu are 100% carbon neutral.

They wouldn't dream of importing or exporting water.

Their bottles are made from recycled glass or plastic.

And if that wasn't enough, all their profits go to WaterAid to fund clean water projects in the world's poorest communities.

Belu.

Made with mineral water and ethics.
