Menu Information - Wherever possible we use British produce. Strict hygiene procedures are followed in our kitchens to ensure cross contamination does not occur. We cannot guarantee our dishes to be trace free and use ingredients from our suppliers that declare there may be allergens present. Our teams have access to information about our ingredients in our dishes and are happy to inform you if they contain: milk, mustard, egg, molluscs, soya, celery, lupin, sulphites. Adults need around 2000 kcal a day.
